

Jaipur, India UPDATE

October 2014

OLI was invited to present at the founding of the South Asia Assemblies of God World Missions Department.

National and District leaders from across India, Bangladesh, Nepal, and South Asia met in Jaipur, India to lay the foundation and cast vision for the creation of a World Missions Department with the intent to appoint, fund, and send missionaries.

This was a very historic meeting and demonstrated the maturing of the indigenous Assemblies of God church in South Asia.

ICOM 2020

Also presented at the conference was the challenge to train 20,000 new pastors to plant 20,000 new churches by the year 2020.

OLI missionary, Robb Hawks, was invited by Dr. David Mohan, the General Superintendent of India, to attend this meeting and present the OLI mass evangelism tool, "Shout." The 500 attendees gave an overwhelming response to the presentation. National and District leaders approached Robb after the meeting and invited OLI to bring Shout to their cities, states, or nations.

OLI is currently sorting through twelve invitations across South Asia as we prepare to partner with local leaders to present mass evangelism and plant churches.

RESULTS:

Robb Hawks will be returning to South Asia in 2015 to lay the foundation for Shout and Whisper evangelism.

PARTNERSHIP NEEDS:

\$15,000 will be required to implement the next phase of evangelism in South Asia.

PRAYER NEEDS:

- Pray for wisdom and guidance.
- Pray for laborers to come to OLI to help fulfill the invitations.
- Pray for the funding to be able to accomplish this work.
